**GOVERNMENT'S DISPOSITION
MEMORANDUM**

18 The United States of America, through its attorneys, respectfully submits its
19 sentencing memorandum in the above-captioned matter. The disposition hearing is
20 currently scheduled for April 8, 2024.
21

22 **Disposition Report Calculations**

23 The disposition report (Doc. 90) identifies a grade C violation and a criminal history
24 category II for the defendant resulting in a guideline range of 4 to 10 months. The
25 government agrees with these calculations. There is no disposition agreement. At the final
26 disposition hearing, the United States will move to dismiss any remaining allegations in
27 the Petition to Revoke (Doc. 84).

1 **Recommendation**

2 The defendant has continued to struggle with substance abuse following her release
3 from prison. She was using cocaine and provided it to another person at her residential re-
4 entry placement. To her credit she did admit to the cocaine use when confronted by her
5 probation officer.

6 The United States agrees with the reasoning and recommendation in the disposition
7 report and respectfully requests that the Court impose a sentence of 4 months followed by
8 24 months of supervised release. Such a sentence would be a fair consequence for the
9 defendant's violations and hopefully provide additional structure and support to promote
10 her successful reentry into the community.
